TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Salisbury in the county of Merrimack in said State, qualified to vote in Town Affairs:

]L. S.[

You are hereby notified to meet at Town Hall in said Salisbury on Tuesday, the fourteenth day of March next from ten of the clock in the forenoon, to six o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To elect one Selectman for three years.
4. To see if the Town will vote to accept the budget as submitted by the budget committee.
5. To raise and appropriate such sums of money as may be necessary for the Town Budget.
6. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on notes of the Town in anticipation of taxes.
7. To hear reports of agents, auditors and officers heretofore chosen.
8. To see if the Town will vote to raise and appropriate a sum of money for the control of White Pine Blister Rust (Estimate \$400.00).
9. To see if the Town will vote to raise and appropriate the sum of Forty-five dollars (\$45.00) for the purpose of publicizing and promoting the natural advantages and resources of the Town together with other Towns in the Dartmouth-Lake Sunapee Region.
10. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit. (Estimate \$100.00).

11. To see if the Town will vote to raise and appropriate a sum of money for the observance of Old Home Day.

12. To see if the Town will vote to raise and appropriate a sum of \$150.00 for the Franklin Hospital.

13. To see if the Town will vote to discontinue the annual election of Fire Commissioners: Said offices to be abolished.

14 To see if the Town will vote to authorize the Selectmen to appoint a Fire Chief and any other officers for the Fire Department.

15. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for a new fire truck equipped with all running gear. This sum of money to be issued by four serial notes of \$1,000.00 each, one note to mature in 1951 and one note for the next three consecutive years: these notes to be issued only if a new 1950 model fire truck is purchased.

16. To see if the Town will authorize the Selectmen to draw the interest on the Capital Reserve Fund from the Trustees of Trust Funds, said interest to be used to rebuild the Mill Brook bridge so called.

17. To see if the Town will vote to discontinue the crossroad leading from U. S. Highway No. 4 and South road school yard to State Highway No. 127.

18. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and fifty.

MAX F. PARRIS,
ARAM G. GULUMIAN,
CLARENCE J. HOLMES,
Selectmen of Salisbury.

A true copy of Warrant—Attest:

MAX F. PARRIS,
ARAM G. GULUMIAN,
CLARENCE J. HOLMES,
Selectmen of Salisbury.

SALISBURY FIRE DEPARTMENT

This is a financial report of funds expended during the years 1947, 1948, and 1949 inclusive, and it is the request of the Fire Commissioners that this report be published in the 1949 Town Report.

(Report on next page.)

The Fire Commissioners wish to express their thanks and appreciation for all the volunteer labor that was donated the past year. We also wish to thank the George H. Prince Volunteer Fire Association for the \$870.25 that was donated to the Fire Department the past three years. We wish to express our thanks to Mr. J. C. Campbell for his donations amounting to over \$400.00 that were used on the Town Garage and Fire Station for roofing, wiring, etc.

During the past two years there have been over 2,500 man hours given to the building of the Town Garage and Fire Station, and with the donations received from outside sources the Fire Commissioners feel that the building now is valued at approximately \$6,000.00 in actual net worth.

Respectfully submitted,

J. LEO BOURASSA, Chairman,

ERNEST BURDICK,

RAY PRINCE, SR.

BERNARD SHAW,

HARLEY SHAW.

Fire Commissioners.

FOREST FIRES—OUR MOST SHAMEFUL WASTE

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of the fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

RECESSED SCHOOL DISTRICT MEETING OF THE TOWN OF SALISBURY, N. H.

Bartlett Grange Hall, July 29, 1949

The meeting was called to order at 8 P. M. by the Moderator, Frederick L. Adams, who read Articles 10 and 11 of the Warrant for the School District Meeting of March 8, 1949.

The articles were disposed of as follows:

Article 10. To see if the district will vote to build an addition at the Heights school and to raise and appropriate a sum not to exceed \$10,000 by the issuance of serial notes or bonds for the purpose of constructing and equipping the addition and any other expense incidental thereto, the school board being given authority to issue said notes or bonds in the name of and on the credit of the district.

J. Leo Bourassa, re-stated the board's position in favor of building the addition to the Heights school. He then moved that, in consideration of present conditions, especially the action of the General Court in reducing state aid to schools, article 10 be tabled for discussion at some future date. Motion second. Amendment by Fred Prince that Article 10 be passed over was accepted by Mr. Bourassa, the motion so made, seconded, and carried in the affirmative.

Article 11. To see if the district will vote to authorize the school board to contact the appropriate federal agency or department for, and accept in the name of the district any grants in aid or other monies made available by the United States government for the purpose of improvement of educational opportunities and school plant construction, and to execute any and all contracts, or instruments necessary to obtain said grants in aid or other monies.

J. Leo Bourassa moved that Article 11 be passed over. Motion seconded and carried.

Voted to adjourn.

Respectfully submitted,

CLARA K. HUNT,

Clerk.

THE SCHOOL BOARD'S REPORT

To the Citizens of Salisbury:

Last fall when the children returned to school the records show that the enrollment of both elementary and high school children of this town was about the same as the year before. The average pupils per day is about the same now that half of this school year is past.

High school tuition is still going up and consequently next year with about the same number of pupils expected to attend high school from Salisbury the tuition will be more. The elementary enrollment according to the school census taken last fall will be less from now on unless there is an increase in the population.

The teacher problem is still acute in New Hampshire especially in the smaller towns. Most teachers still prefer to teach in the larger towns and the cities of the state and it is becoming more difficult each year to secure teachers for the rural schools. We have been most fortunate in being able to keep the two teachers we have.

At the Heights school this year the foundation was repaired and water was installed at both schools. The water from both wells has been tested and both wells were passed by the state board of health. The pump and tank at the South Road school was a gift of a citizen of the town for which the school board is deeply grateful.

All children have had the advantage of the use of the projector this year. We have had films on a regular schedule from the University of New Hampshire film library. The bookmobile visits the schools at regular

intervals but the schedule of trips is not as often as it has been in past years.

The school lunch program has met with great success in both schools and all the children enjoy the lunches that have been prepared for them. We hope that it will be possible for the program to continue. Our new superintendent of schools, Richard A. Martin, refers to the program in the superintendent's annual report to the citizens.

Last year the voters gave the board the power to let transportation contracts up to three years. We used the power and our contracts for this year and two more have saved us in the vicinity of \$500 per year.

Once again the board wishes to express their sincere thanks to all who have helped in any way to make the schools a better place in which to learn. We are deeply grateful to all who have contributed in any way to make the lunch program such a success. Our special thanks are extended to Mrs. Rene Beaudoin and Mrs. Charles Brockstedt for their time and effort with music at the South Road and Heights Schools respectively.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of Salisbury:

I herewith submit my report as Superintendent of Schools.

The installation of running water in the Salisbury schools this year is an important step in the improvement of sanitary conditions. In comparison with other rural schools the Salisbury schools rate well. However, in looking to the future the town should plan for more playground space, better toilets, adequate space for preparing and serving school lunches, and space for a small shop.

In all except the rural district, seventh and eighth grade children are being given an opportunity to have learning experiences in cooking, sewing and woodworking.

At some future date the citizens of Salisbury should consider the possibility of bringing their two schools together in one unit. Surely the hazardous location of the South Road School is a factor that can not long be overlooked. The building was built long before asphalt highways and speeding trucks were a factor in school building locations. The school district has a moral responsibility to do everything in its power to correct this situation.

If the district so desires, it might wish to consider the educating of the seventh and eighth grades in some neighboring district.

The books and supplies in our buildings are in very good condition. The district should continue to replace one new set of books each year in each subject. In this way the books will always be reasonably up to date.

A school lunch program has been in operation this winter. This program has been sponsored by a group of inter-

ested parents in the town. This is a commendable program and I want to thank all who have contributed to it. I hope that some time in the future our school buildings will provide equipment for the preparation and serving of school lunches. The government provides many varieties of free surplus foods as well as reimbursement of each lunch served each child. Since our income tax helps provide for these services for other schools throughout the country there is no reason why we should not take advantage of the program.

An article in the warrant this year requests the voters to decide whether or not they wish to subsidize this program by raising enough money to pay for the labor on the school lunch program. Many communities throughout the state are now paying for such services.

In comparing the budget for 1950-51 with last year's budget we find a considerable increase in tuition. This is a result of general tuition increases throughout the state. Another increase is given for teachers salaries. The average placement salary for beginners out of Keene Teachers College and Plymouth Teachers College last year was \$2,280. This was \$280.00 more than our experienced teachers received.

I want to thank the School Board, the teachers and the voters of the Salisbury School District for their cooperation during this school year. We must all work together to secure the best education for our children. I deeply appreciate the support and cooperation of the teachers, school board and citizens of Salisbury.

Respectfully submitted,

RICHARD A. MARTIN,

Superintendent of Schools.

Feb. 1, 1950.
